REGULATIONS.

1.—The Events are strictly confined to Amateurs. No professional Runner or Athlete will be allowed to compete.

2.—Competitors must contest in complete clothing from shoulders to knees, and in the same colours as those given in their Form of Entry. Trousers or loose knickerbockers must be worn. On no account will drawers or tights be permitted. University costume will be allowed. This rule will be strictly enforced.

3.—A bugle will be sounded a few minutes before each event, and a second immediately before the start.

4.—All races shall be started by pistol. The starter shall, when necessary, have the assistance of competent persons, who shall place the Competitors on their marks. A start shall be made only to the actual report of the pistol. A snap of the cap shall be regarded as a misfire. Any competitor leaving the mark, or putting his foot over the mark before the pistol has been fired, must, except in the case of misfire, be put back as follows:—One yard for distances up to and including 200 yards; two yards up to and including 440 yards; three yards up to and including 880 yards; and five yards for any distance over 880 yards; the penalties to be doubled for a second offence, a third offence to disqualify. The starter shall use an ordinary percussion lock pistol.

5.—The Sprint Races will be run in strings.

6.—After each event the result will be shown on the telegraph board.

7.—No second prize will be given for any event unless there are at least three, and no third prize unless there are at least five competitors.

8.—The Stewards will be distinguished by rosettes.

9.—Any objection to a Competitor to be made to the Secretary, in writing, before the Distribution of the Prizes, and substantiated within 21 days, or the prize will be awarded; such objection to be accompanied by a deposit of 5s., to be forfeited in case the objection is proved to be frivolous.

10.—The decision of the Judges will in all cases be final.

11.—The Committee reserve the power to make any alteration they think fit.

12.—In order to prevent overcrowding in the Dressing Tent, a charge of 1/- will be made to all non-competitors using the tent.

13.—Attendants will not be allowed to accompany Competitors inside the course on any pretext whatever, with the exception of the Bicycle Races, when an attendant will be allowed to hold each Competitor's bicycle ready for starting. Any attendant going over his mark will cause the Competitor to be disqualified.

14.—Competitors are most earnestly requested to be on the Ground early, as the Committee will not be able to wait a minute for anyone, owing to the length of the programme.

15.—No one excepting Officials allowed inside the ring. Competitors please take notice.

16.—Numbers provided must be worn by the Competitors.

17.—Scholars must show their certificates before receiving Prizes. This will be enforced.

18.—The Committee do not bind themselves to adhere to the times stated in the programme.

Keene's

"One Night"

Corn Cure.

 **The Marvellous American Remedy
is Infallible.**

DON'T waste your time and money on old-style plasters or paint, but go to your Chemist and insist upon having Keene's "One Night" Corn Cure, the wonderful American Remedy, give it a fair trial, and if it fails to remove your Corns, Roots and all, send us the box and we will refund your money. Is this not sufficient proof of its merits? It is the only Remedy that removes Corns for ever, and without pain. Why these Miraculous Results? Because its anæsthetic properties will absorb within an hour the most acute pain and inflammation, and by morning the corn will be quite loose, so that it can be picked out. See directions on every box.

Price 7½d. per Box.

Prepared by the KEENE Company of New York.

Branch—75 and 76, High Holborn, London.

Of the many hundreds of TESTIMONIALS received the following are a few Specimens:

29, JUNCTION ROAD, SOUTHSEA.
"A few months ago was much troubled with Corns, and a friend very kindly sent me a box of your 'One Night' Corn Cure, and I must say the effect was wonderful! It took all pain away, and a few more applications and I was able to remove the Corns quite easily. I would not like to be without it, as if one small box has done me so much good I hope a second will keep me free from such a painful malady in the future. Kindly send me three boxes by return post. A young friend who was staying with me has taken your address as she found such relief from one application."
A. HOMPAY.

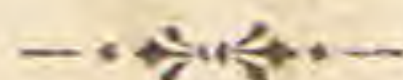

THE VICARAGE, BETTWS-Y-COED.
"Would you please send me four boxes of your Corn Cure, as I have found great comfort with the last you sent me. I should not like to be without it. I enclose money order for the same."
S. A. CHADWICK.

The KEENE COMPANY, 75 & 76, High Holborn, London.

REDLAND, BRISTOL.
"I have tried your Corn Cure and find it invaluable; have also recommended it to my sisters and friends; am highly pleased to be able to write this."—Yours truly,
RUTH GOLDSMITH.

COUNTY SURVEYOR'S OFFICE, LEWES.
"I am sending herewith stamps for four boxes Keene's 'One Night' Corn Cure, and postage. I have found it has cured my corns after sixty-five years' standing, and now I am going to give these to my friends who are like situated."—Yours truly,
HENRY CARD.
